Hello to EIPOA 456 Members,

The decision has been made to postpone the anticipated vote on Article 23 that would legally provide for our HOA to fund the Englewood Isles Parkway Association.

The question asked is why we are not going forward?

Today's focus is on the Coronavirus, (COVID-19) and staying safe and protecting our families. There will be time in the Fall to proceed with mailing ballots, scheduling meetings and asking our HOA members to support the Parkway.

The ballots were scheduled to be mailed today. The Regular April Board meeting and the Members Special Meeting to vote on Amending Article 23 were scheduled for April 8, 2020 at the Elks Club Building. As of today the Elks Club is closed and consequently both meetings are canceled.

With that said, we have no choice but to postpone the process to amend our Covenants. There will be time in the Fall to re-visit this very important issue. Let us now focus on the major issue at hand and that is to stay safe and adhere to the suggestions of those in charge.

If anyone has questions or suggestions, contact me and I will try to explain further how this virus is effecting our HOA's actions.
